

## European Workshop: "PRESENT AND FUTURE IN THE DESIGN OF SAFER AND CHALLENGING PLAY AREAS."

**DATE:** Thursday, February 15, 2018

**LOCATION:** AIJU, Avenida de la Industria 23, 03440 Ibi (Alicante), Spain.

**PURPOSE:** Speakers from different European organizations will give a wide view of the design of a play area project, studying all its life cycle process: from the original idea, it starts its development, the development and the subsequent maintenance and control, as well as the use of new ones technologies as a learning method. All this material, as well as the use of this technology, will be presented at SAFERPLAY Open Course, the first open and free online course on design, installation and maintenance of safer and challenging play areas.

### TARGET GROUPS:

- a) Architects, designers and landscape architects,
- b) Technical and maintenance personnel of enterprises and public administration.
- c) Play equipment and surfacing manufacturers
- d) Schools and child care providers instead of schools, child care etc.
- e) Students

**REGISTRATION:** By Internet <http://formacion.aiju.info>, If you prefer, you can contact by phone (+34 965554475) or e-mail ([formacion@aiju.info](mailto:formacion@aiju.info)).

### PROGRAMME
